

Plot Line Notes—December 18, 2013

Exposition

- characters
- main conflict
- setting

Rising Action

Climax—Turning Point, falling action

Resolutions—climax usually resolved

Plot = sequence of cause & effect events.

Craft develops plot.

Irony: when opposite of what you expect, happens

Note: As always, your notes might look different from these and have more information.

Today's note were given in a more graphic form during class.
