**Vista's White Mountains Spring Trip June 2014  
Conduct Expectations & Contract**

The upcoming trip to the White Mountains in June will be a unique and challenging experience. Due to the nature of the hike and the importance of group communication and safety, attention to behavior is crucial.

In June, all of the student hiking groups will be spending a portion of their hike several miles from the nearest road. Hiking is a challenging and safe experience provided the group works well together and pays attention to weather and other factors, which can affect the safety of the group. When hiking in the mountains the behavior of one individual can jeopardize the safety of an entire group.

This fall, you and your child read and signed the school code of conduct. Your child will continue to be held accountable for his or her behavior throughout the school year. Exhibiting a pattern of misconduct on any level or committing a level 2 or 3 infraction as described in the code of conduct will jeopardize your child's participation in the trip.

**Again, if your child exhibits a pattern of misconduct, on any level, or commits a level 2 or 3 offense, they may not be allowed to go on the trip. Trip payments will not be refunded due to the financial penalties passed on to Vista from the Appalachian Mountain Club**

Please read this contract with your child, sign, and return it by **Friday, March 28, 2014.**
