

Notes: Turning A Claim into a Paragraph—5/12/14

Intro: Claim 21

Reason = already surpassed plethora of “license” ages.

—driving (decreasing limits for 2 yrs.) Practice until you can do it without any help.

—smoking You’ve made decisions and have been practicing.

—work (established a work ethic, be responsible to a job)

—voting (part of the democratic society, you are a US citizen)

**practice until able to be independent that’s at 21.

Intro: claim 25

1st Reason= brain development—cause & effect

3rd Reason= surpass license age

2nd Reason= change trial age to 25 as adult to match.

Intro: claim 18

Reason=n license ages mostly 18, example—do not list them

Reason= practiced other license behavior, driving & working

Reason= legally responsible

Intro: claim 18 = adult

Reason=

- school (public) ends, graduated
- more mature

- learned ways to be an adult
 - high school
 - work opportunities
 - drive
 - ready to do this independently

Reason

Bottom Line: You need good, logical reasons.
